

Title: On all pages. When scrolling down to the footer, we see a “Благодійність” section – all the content in this section is not clickable.

Priority: High

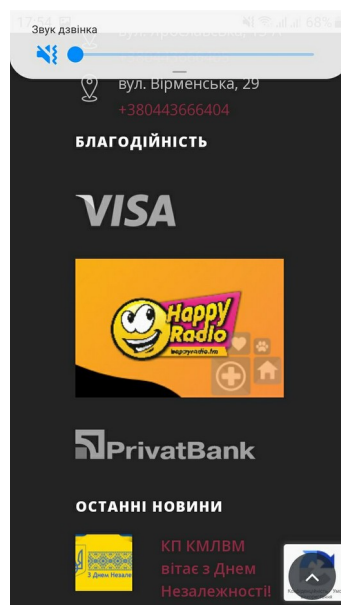

Severity: S4 Minor

Environment:

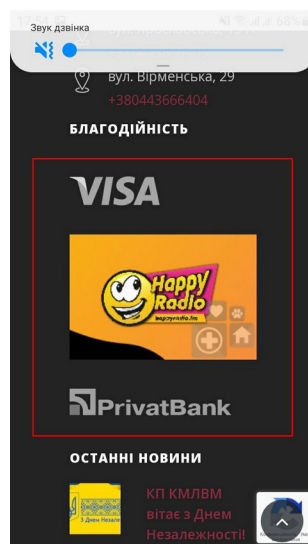

Samsung Galaxy J7 Neo (720x1280 pixels, Android 9 OS)

Steps to reproduce

1. Open the Main page: <https://kmlvm.kyivcity.gov.ua>
2. Scroll down to the footer section, named “Благодійність”.

3. Click on any element in this “Благодійність” section.

Actual result

Nothing happened. All this content is not clickable.

Expected result

At least the banner must be clickable. Must be opened a “donation” page after clicking (for example, this one: <https://kmlvm.kyivcity.gov.ua/financial-charity/>)

Screenshot from Jira:

Add epic / ZOO-5

On all pages. When scrolling down to the footer, we see a “Благодійність” section – all the content in this section is not clickable.
