Title: On "Служба ветеринарної допомоги" page. When scrolling down, we see inappropriate placement of a text inside a squared border.

Priority: High
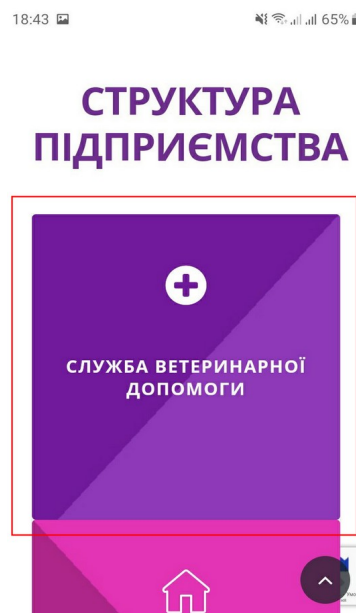

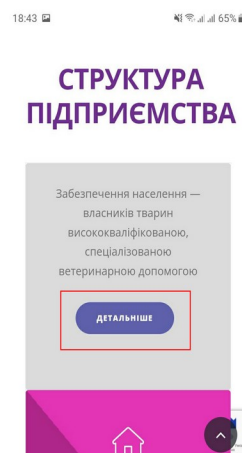

Severity: S4 Minor

Environment:
Samsung Galaxy J7 Neo (720x1280 pixels, Android 9 OS)

Steps to reproduce

1. Open the Main page: https://kmlvm.kyivcity.gov.ua

2. Scroll down and tap on the square named "Служба ветеринарної допомоги".

3. On a flipped image tap "Детальніше" button.

4. On an opened page "Служба ветеринарної допомоги" scroll down to the section called "Структурні підрозділи".

Actual result

We see inappropriate placement of a text inside a squared border in this "Структурні підрозділи" section. We see many letters outside the border.

Expected result

The text must be placed exactly inside this squared border (not outside).
