Title: On "Галерея" page. While navigating through the gallery images, we can see many "technical" texts.
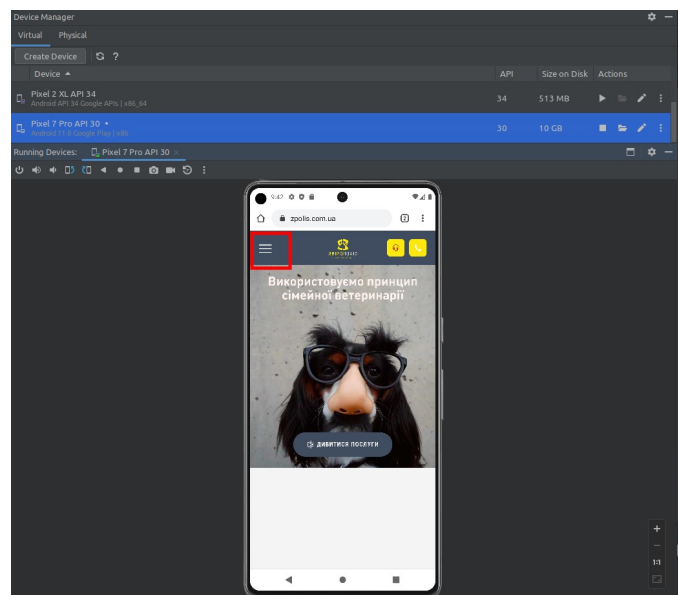

Priority: High

Severity: S4 Minor
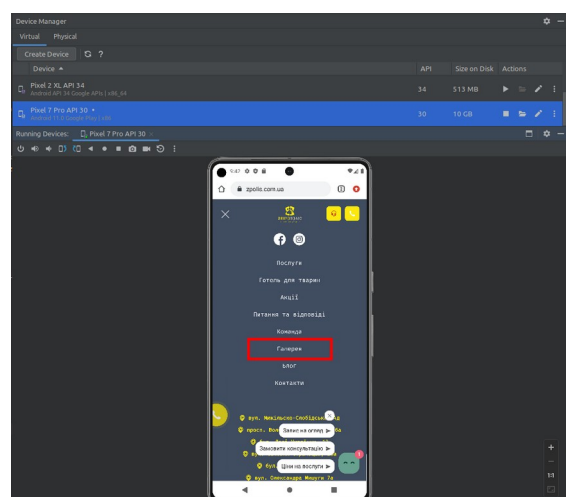

Environment:
Google Pixel 7 Pro (3120×1440, Android 11 OS). Tested via Android Studio.
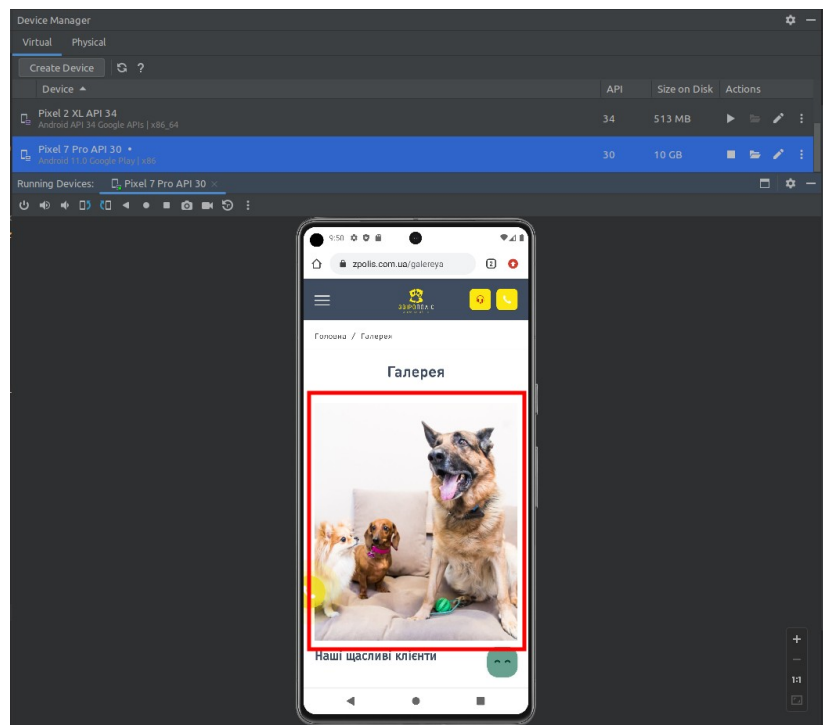

Steps to reproduce

1. Open the Main page: https://zpolis.com.ua

2. Click on the "burger-menu" on the left upper-corner of the screen.

3. On an opened menu click on "Галерея" word.

4. On an opened page click on a picture with dogs by "Наші щасливі клієнти" section.

Actual result

We can see many "technical" phrases under some photos.

Expected result

These phrases must be deleted or changed to relevant descriptions under the photos.
